Hill's Country Cabins & Private Hunts

Our hunting lodge is exactly what you see...
a hunting lodge! It is very clean, comfortable and has everything you
need to make your stay with us as good as it can be! Sure there are
places a bit nicer but those places focus solely on "wining and dining"
you while we focus mostly on the hunt itself! We figure that real hunters
would rather have a great hunt than "a mint on the pillow."
